

SISS IB DP May 2022 Results

Congratulations to all our 36 IB students, who successfully finished their two-year IB diploma programme during the most difficult time one could imagine as the Covid pandemic resulted in the most challenging studying, learning and teaching situations.

Thank you IB teachers, teaching assistants and SISS staff for your support that resulted in these outstanding results!

So far, this was the largest IB year group we have ever had! 36 students were awarded the IB Diploma of which 18 were awarded the Bilingual Diploma. It is awarded if a student completes two languages selected from group 1 (English and German) with the award of a grade 3 or higher in both.

The average points obtained by candidates who passed the diploma was a stunning 36.4, which converts to an equivalent German "Abitur-average" of a 1.93.

Two students had a 43, two students a 42 in total points!!! A forty-two or better is the equivalent to an "Abiturschnitt of a 1.00".
